Tell Us Your Story

Please fill out each question to the best of your ability.

Be detailed and share with us what makes you play sports like a girl!

We are looking for honest answers that shed light upon who you are and how athletics helps you in your life.

1. What is your name, grade, and what sports do you play or are you interested in?

2. Explain why you play sports. How does it impact your life?

3. Give us a one to three sentence philosophy about winning and losing.

4. Tell us why you feel opportunities for young women in the realm of athletics is so important.

5. If you were the recipient of the GRG Play Like a Girl funding, what would you do with it? How would you spend it? How would this help you in your athletic pursuits? Please prioritize these needs (the most needed items first).

6. Coach/Adult contact information.

7. If possible a camp registration form and/or gear order form so GRG can order your exact needs (this could be an Amazon wish list with sizes and colors OR a vendor order form for a specific uniform).
